Important information for applicant:

For Criminal, Civil and appeal proceedings:

It is important to note that in some circumstances the Registrar will provide a copy of your request (including your name and address) to the parties to the relevant proceeding or appeal (or to their lawyer).

If you do not have a right of access to the court documents, the parties will be sent a copy of pages 3 and 4 of this form, as well as your name and address, and given the option to object to your application. This process is a requirement of Rule 11 of the District Court (Access to Court Documents) Rules 2017 and Senior Courts (Access to Court Documents) Rules 2017.

In criminal proceedings the parties are the prosecution and the defendant. In civil proceedings the parties are the applicant and the respondent, or the plaintiff and the defendant. On appeal, the parties are the appellant and the respondent.

For Family Court proceedings:

For information on accessing Family Court documents, please refer to the Family Court Rules 2002.

For all requests:

Your postal address, email and contact phone numbers will be used by court staff to administer your request, including to contact you if the court requires any further information.
